EXPERIENCE

IT Intern | Kugan & Associates, Inc. | Feb 2023 – Present

- Provide technical support for staff, resolving hardware, software, connectivity, and user-access issues.
- Create and manage user accounts, permissions, password resets, and software installations.
- Configure workstations and assist with onboarding technology setup.
- Troubleshoot printers, scanners, Zoom, and peripheral devices.
- Administer Microsoft 365 services including Exchange Online, Entra ID, Intune, and user access management.
- Create security groups, shared mailboxes, and role-based access controls.
- Configure email and DNS records (MX, SPF, DKIM, DMARC) and support device enrollment through Intune.
- Document support requests and communicate technical solutions to users with varying technical backgrounds.
